Digital floor tiles

396 x 396mm
FLOOR TILES

Company Profile

Ceramic Tiles have been an integral part of mankind since immemorial. They have been a witness to history being unfolded and have to tell that tale. Ceramic tiles have survived the rise and fall of civilisation and with each upheaval have added a new dimension to their properties. Today they are an integrated part of modern living combining the winning qualities of beauty and value for money.

We have united the toughness of ceramic tiles with modern technological advances and customer aspiration to produce a range that is vast in choice. with over 7 years of experience in this field and in depth knowledge of markets both in India and abroad, We have set up a world class integrated production facility to manufacture and supply high quality ceramic tiles The designs, sizes, colours and surface finishes will be made keeping in mind the needs of the Indian consumer. Over the years the company has built a solid customer base and a reputation both for itself and its products. To an extent they have been responsible for changing ceramic tiles from a mere commodity to a branded product. Trust, Quality and reliability have been the watchwords of us and we plan to continue fulfilling the expectation of their vast array of customers. Total customers satisfaction via adoption of Quality Management Systems in all spheres of activity guarantee adherence to pre-decided standards. The company nurtures each relationship be it with the trade, consumers or suppliers. This has established company as a reliable and trust worthy entity capable of overcoming market challenges.

Just like their historical counterparts, We will be around to witness future market developments and participate in remaking the personality of the humble ceramic tiles.
